About Southern California Investment Association:

SCIA National Small Cap Syndicate is a comprehensive national organization developed to facilitate stock support and capital formation for small and emerging-growth companies. The alliance consists of almost 200 influential member firms plus associates including NASD broker/dealers, investment and merchant bankers, investment advisors, analysts, market makers, venture capitalists, fund managers, media and accredited investors. This team provides a wide range of services including, but not limited to equity and debt financing, institutional and retail stock support, market making, and mergers and acquisitions. The association provides current information on market climate, SEC regulation and is a valuable forum for investment opportunities. Companies desiring support or funding are encouraged to apply one month in advance.

Conference Schedule: Saturdays, February 1, April 1, June 3, August 5, October 7 and December 2 at the same Hilton, Irvine location.

Caution Regarding Forward-Looking Statements

Statements in this release that are not strictly historical are “forward- looking” statements. Forward-looking statements involve known and unknown risks, which may cause Signalife’s actual results in the future to differ materially from expected results. Factors which could cause or contribute to such differences include, but are not limited to, failure to complete the development and introduction of new products or services, failure to obtain federal or state regulatory approvals governing medical devices, monitoring and other related services or products, inability to obtain physician, patient or insurance acceptance of Signalife’s products or services, adverse equity- market conditions and declines in the value of Signalife’s common stock, and the unavailability of financing to complete management’s plans and objectives. These risks are qualified in their entirety by cautionary language and risk factors set forth and to be further described in Signalife’s filings with the Securities and Exchange Commission
